

W H A T I S H O S T E S S ?

The idea for Hostess sparked when the owners, Michelle & Shelby, recognized St. Pete's need for a unique, more intimate event venue. Once they discovered the bungalow, the retail and wine bar aspect fell perfectly into place to create the perfect "hostess" business model. The business model perfectly encapsulates the spirit of being a hostess.

The retail store provides guests with the opportunity to purchase hostess & housewarming gifts or items to elevate their own hosted events.

The wine bar embodies the idea of "Toast!". Every great hostess knows a great event cannot be complete without bubbles.

The event space offers the unique concept of providing the feeling of hosting in your own home without the concerns. Our staff takes the burden of making sure the host gets to enjoy the party along with the guests!

CAN I COME IN AND TOUR THE SPACE?
